

ANTONY KURNIAWAN NUGROHO

Full-Stack Web Developer & Network Engineering Enthusiast

Location: Surabaya, East Java, Indonesia **Phone:** +62 896-7565-3497
Email: antonymugroho467@gmail.com **Website:** antonykurniawan.biz.id

PROFESSIONAL SUMMARY

Software Engineering graduate from SMK Negeri 2 Surabaya (Vocational High School), currently pursuing a Bachelor of Applied Science (B.A.Sc.) in Telecommunication Engineering at Electronic Engineering Polytechnic Institute of Surabaya (EEPIS / PENS). Specialized in bridging full-stack software architecture with network infrastructure engineering. Experienced Full-Stack Web Developer with a proven track record in designing RESTful APIs, managing complex relational databases, and architecting industrial-grade web-based early warning systems.

WORK EXPERIENCE

Junior Software Engineer Intern | PT Inti Daya Energitama

May 2025 – Dec 2025

- Collaborated on building a real-time web monitoring application for Programmable Logic Controllers (PLC) tailored for key enterprise client PT Pupuk Utilitas Indonesia (PIU).
- Architected and deployed an automated **Early Warning System (EWS)** with integrated WhatsApp notification engine to deliver real-time component error diagnostics and step-by-step troubleshooting guides.
- Engineered robust full-stack solutions utilizing **React.js**, **Node.js/Express.js**, and **SQL Server** to handle system operations and real-time data flow.

EDUCATION

Electronic Engineering Polytechnic Institute of Surabaya (EEPIS / PENS)

2026 – Present

Bachelor of Applied Science in Telecommunication Engineering (Distance Learning)

SMK Negeri 2 Surabaya (Vocational High School)

2023 – 2026

Vocational High School Diploma in Software Engineering

TECHNICAL & PROFESSIONAL SKILLS

Backend & Database:	Go (Golang), Node.js, Express.js, RESTful API Design, MySQL, SQL Server, Prisma ORM
Frontend & Tools:	React.js, Next.js, TypeScript, Tailwind CSS, Git, Postman
Networking & Telecom:	TCP/IP Protocol Suite, Network Routing & Switching

CERTIFICATIONS & COURSES

Competency Certificate - Software Engineer

NationalProfessionalCertification | 2026–2029

AWS Cloud & Generative AI Fundamentals

AmazonWebServices | 2026–2029

Gamelab Industrial Class Onboarding

GamelabIndonesia | 2024

CORE COMPETENCIES

- Effective Professional Communication
- Detail-Oriented & Problem Solving
- Time Management & Discipline
- Cross-functional Team Collaboration
- Proactive Leadership & Autonomy
- Ownership & High Accountability
